Highlights

Auto-fit

Thanks to the clever construction and stretchable inner band The Stretch self adjusts to fit every head perfectly each time.

Cable stress relief

Inspired by the latest in ski technology the cable quickly disconnects from the headband whenever the cable is caught. Simply reconnect the cable to the cable stress relief and you can continue enjoying your music.

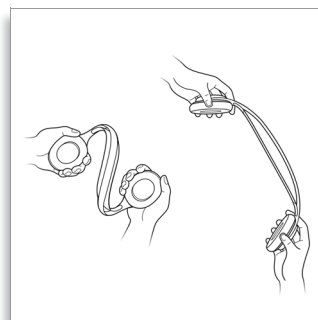

Comfortable for long wear

The deluxe super soft ear cushions enable you to wear your headphones for as long as you like without discomfort.

Powerful sound

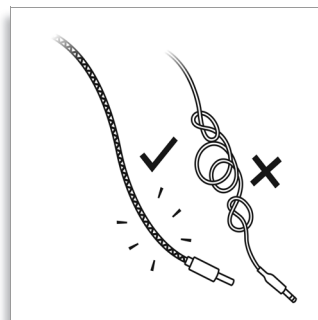

With dynamic 40mm drivers these headphones deliver a crystal clear sound experience coupled with a bass thumping performance.

High grade materials

The headband is constructed with a high grade nylon TR55 superstretch polymer ensuring these headphones are extremely tough and flexible.

Smart reinforcement

Thanks to the tough tangle-free fabric cable and reinforced connectors these headphones are built to stand up to the wear and tear of your active lifestyle.
